ABOUT IGIDR

Indira Gandhi Institute of Development Research (IGIDR) (Deemed to be University) is an advanced research institute established and fully funded by the Reserve Bank of India for carrying out research on development issues from a multi-disciplinary point of view. On December 28, 1987, the campus was inaugurated by Late. Shri Rajiv Gandhi, the then Prime Minister of India. Subsequently, the Institute was recognized as a Deemed To Be University under Section 3 of the UGC Act. Starting as a pure research institution, it rapidly developed into a full-fledged teaching cum research organization when it launched a Ph.D. program in the field of development studies in 1990. In 1995, the institute initiated the M.Phil programme. The M.Sc. programme commenced in 2003 to introduce students to the world of research at an early stage.

VISION AND VALUES

We strive to conduct and promote research on development from a broad inter-disciplinary perspective. The institute undertakes projects and activities that are useful in furthering the development and social welfare. It strives to promote cooperative endeavor and interaction between research scholars and institutions in India and abroad, while simultaneously encouraging specialised training for advanced degrees (Masters and Doctorate).

Message from the Director

“

Indira Gandhi Institute of Development Research (IGIDR) is an advanced teaching and research Institute. It offers M.Sc. in Economics and Ph.D. degrees in Development Studies and provides professional training in most branches of economics from a multi-disciplinary perspective.

The teaching program has a cutting-edge curriculum and highly accomplished faculty. It has a vibrant student body which is diverse in its academic background as well as national character. Its teaching program is unique in terms of research and teaching assistantships which give an opportunity to students to gain valuable experience. They get to handle large datasets, use advanced quantitative techniques and learn how to interpret results. Quantitative techniques, analytical insights and field experience are all blended in the research projects as well as various courses offered.

No wonder that our graduates develop wide-ranging expertise on several fronts. Our students have secured jobs in reputed corporate firms, banks, research institutes, universities and NGOs. It reflects the quality of teaching and research at IGIDR.

Professor Basanta K Pradhan
Director and Vice-Chancellor, IGIDR

FACULTY MEMBERS

Dr. Basanta Kumar Pradhan

Ph.D. (Economics), Indian Statistical Institute, Delhi

Director (Vice Chancellor)

Dr. A Ganesh Kumar

Ph.D. (Economics), Indian Statistical Institute, Kolkata

Professor

Dr. Rajendra Vaidya

Ph.D. (Economics), Gokhale Institute of Politics and Economics, University of Pune

Professor

Dr. C Veeramani

(On Leave)

Ph.D. (Economics), Jawaharlal Nehru University; CDS Trivandrum

Professor

Dr. G Mythili

Ph. D. (Econometrics), University of Madras; Post Doctoral Research, UC Berkeley

Professor

Dr. Jayati Sarkar

Ph.D. (Economics), University of Southern California, December

Professor

Dr. K.V. Ramaswamy

Ph.D. (Economics), University of Delhi

Professor

Dr. Rupayan Pal

Ph.D. (Economics), IGIDR

Professor

Dr. S Chandrasekhar

Ph.D. (Economics), The Pennsylvania State University

Professor

Dr. Srijit Mishra

Ph.D. (Economics), Centre for Development Studies (JNU)

Professor

Dr. Sudhakar Yedla

Ph.D. (Environmental Engineering), IIT Kharagpur

Professor

Dr. Vijay Laxmi Pandey

Ph.D. (Agricultural Economics), G. B. Pant University of Agriculture and Technology

Professor

Dr. Vinod K Sharma

Ph.D. (Environmental Engineering), IIT Bombay

Professor

Dr. Rajeswari Sengupta

Ph.D. (Economics), University of California at Santa Cruz (UCSC)

Associate Professor

Dr. Shubhro Sarkar

Ph.D. (Economics), The Pennsylvania State University

Associate Professor

Dr. Sudha Narayanan
(On Leave)

Ph.D. (Agricultural Economics), Cornell University

Associate Professor

Dr. Taniya Ghosh

Ph.D. (Economics), University of Kansas

Associate Professor

Dr. A. Gopakumar

Ph.D. (Quantitative Economics), Indian Statistical Institute, Kolkata

Assistant Professor

Dr. Bharti Nandwani

Ph.D. (Economics), Shiv Nadar University

Assistant Professor

Dr. Digvijay S Negi

Ph.D. (Quantitative Economics), Indian Statistical Institute, Delhi

Assistant Professor

Dr. Sargam Gupta

Ph.D. (Quantitative Economics), Indian Statistical Institute, Delhi

Assistant Professor

Dr. Manisha Jain

Ph.D. (Climate Studies), IIT Bombay

Assistant Professor

Dr. Disha Gupta

Ph.D. (Economics), Delhi School of Economics

Assistant Professor

Dr. Ashima Goyal

Ph.D. (Economics), Bombay University

Emeritus Professor

Dr. Dilip Nachane

Ph.D. (Economics)

Visiting Professor

ALUMNI MESSAGES

JAYATU SEN CHAUDHURY

Ex - Lead Data Scientist at Global Commercial and Merchant Analytics, American Express

“We were one of the first sets of students from IGIDR. The elite faculty were highly energetic and ensured they brought out the best in us. The teaching process was a good blend of theory and real-world applications. I can say with full conviction that joining IGIDR was one of the best decisions of my life. It has made me what I am today.”

IBOTOMBI LONGJAM

Director and Head, Model Risk Management India, Citi

“IGIDR helped me learn several lessons outside textbooks. It gave me a window to the world of aspirations and excellence and taught me the art of self-learning in various topics. It opened up a beautiful world of valued friendship, relationships and networking with every soul on the campus and further beyond. I treasure my time at my alma mater.”

TIRTHANKAR PATNAIK

Chief Economist, National Stock Exchange of India Limited

“The world-class facilities at IGIDR, such as the library and computing technology, can perhaps be replicated. However, a fertile research environment that allows aspiring scholars to reach their full potential is an achievement few institutions have attained. Spend your time wisely at IGIDR, and you'll be prepared for the world.”

BADRI NARAYANAN GOPALAKRISHNAN

Head, Trade, Commerce and Strategic Economic Dialogue, NITI Aayog, Government of India
Co-founder Partner & Director Infinite-Sum Modelling Inc., Washington; Consulting Economist, McKinsey

“IGIDR provided me with opportunities to work and interact with leading policymakers and economists from around the world. Through this, I gained significant practical exposure at the leadership level at such a young age.”

ACADEMIC PROGRAMMES

M.Sc. Economics

Duration: 2 Year Programme

In the first year, 8 compulsory courses are offered. In the second year, students choose any of the 8 optional courses offered (or 7 optional courses and a Master's thesis) that includes:

- One Major Field of Specialisation consisting of 4 optional courses in a related field,
- One Minor Field of Specialisation consisting of 2 courses and,
- 2 other optional courses.

Ph.D. Development Studies

Duration: 4-5 Year Programme

The Ph.D. programme is designed to create academic researchers as well as professionals who are capable of conducting policy analysis, relating to national and global development issues, from a quantitative and interdisciplinary perspective. Ph.D. students are required to take 14 courses (4 compulsory and 10 optional) in the first two years.

CORE COURSES & FIELDS OF SPECIALISATION

Core Courses

Fields of Specialisation

Microeconomic Theory & Applications

- Advances in International Trade Theory
- Applied General Equilibrium Models
- Applied International Trade and Investment
- Applied Microeconomic Theory - I
- Auction Theory
- Behavioural Economics
- Corporate Governance: Theory and Empirics
- Economics of Information/Contract Theory - I & II
- Economics of Regulation and Competition Policy
- Game Theory
- Measure Theory
- Microeconomics - I & II
- Oligopoly Theory - I & II
- Special Topics in Microeconomic Theory
- Information and Market Design
- Theories and Behavior of the Firm
- Theory of Institutions
- Topology

Macroeconomics, Finance and Growth

- Advanced Financial Economics
- Applied General Equilibrium Models
- Corporate Governance: Theory and Empirics
- Financial Econometrics - I
- Stochastic Calculus and Finance
- Issues in Corporate Finance and Growth
- Introduction to Python for Economists
- Indian Economy
- Introduction to Financial Economics
- Issues in Finance and Growth
- Measurement of Risk in Securities Market
- Monetary Theory and Policy
- Public Finance and Fiscal Policy
- Theories of Economic Growth
- Topics in International Finance and Economics
- The Role of Finance in Macroeconomics

Econometric Theory and Applications

- Topics in Applied Econometrics
- Causal Inference
- Computational Economics
- Machine Learning and Big Data for Economists
- Financial Econometrics - I
- Nonparametric Econometrics
- Probability and Stochastic Processes
- Spectral Analysis
- Time Series Analysis - I & II

Energy and Environment

- Advanced Topics in Environmental Economics and Policy
- CGE Modelling of Environmental Economics with GAMS
- Climate change, Economics and Policy
- Energy & Environment - I & II
- Environment and Development Economics
- Environmental Economics and Policy
- Natural Resource Economics
- Socio - economic and Policy Issues in Energy & Environment - I & II
- Tools for Sustainability Assessment - I & II

Development Theory and Policy

- Applied Econometrics for Policy Analysis
- Applied General Equilibrium Models
- Contemporary Issues in Human Development and Policy
- Introduction to Financial Economics
- Food Policy Analysis
- Health Economics and Policy
- Indicators of Development: Measurement & Issues
- Indian Economy
- Industrial Economics
- Markets, Incentives and Agriculture in India
- Public Economics
- Political Economy of Institutions and Development
- Theory of Institutions

COMMITTEES AT IGIDR

THE CULTURAL COMMITTEE

The cultural committee helps students bring their talent to the stage with a cultural week that involves dance, music, debating, art and drama. The committee also organises the celebration of numerous festivals recognising the diverse backgrounds of the students on campus.

THE SPORTS COMMITTEE

This committee ensures the smooth running of various sporting events held during a biannual sports week that consists of games like badminton, cricket, swimming, chess, carom, table tennis and athletics.

THE ALUMNI COMMITTEE

This committee endeavours to strengthen bonds with the IGIDR fraternity and bring together the student community from current and previous batches.

THE MOVIE CLUB

It screens a mixed-bag of movies, after conducting a weekly campus wide poll, ranging from mainstream to alternative cinema. This provides the student the opportunity to rejuvenate after a hectic week of lectures.

ECONPRISM : STUDENT NEWSLETTER

EconPrizm is a student-managed newsletter published semi annually by IGIDR, Mumbai. The newsletter envisaged to create awareness about essential work done at our institute and to create synergy between the institute's activities and those of other academicians, policymakers, regulatory bodies and the corporate sector.

KAAWISH

Kaawish is a student-led initiative to engage with the children of the underprivileged non-teaching staff through various activities. It is an attempt to assist the all-round development of children.

WHY HIRE US?

IGIDR provides a holistic environment for development at both the personal and professional fronts, by imparting specialized analytical, statistical and econometric modeling skills as per the emerging requirements. As a part of its framework, due emphasis is given to developing a strong edifice for the generation and vocalization of strong intuitions and ideas. The academic programme at IGIDR is carefully curated to train students for a bright career in both academia and the corporate industry, with a strong inclination towards honing essential analytical skills.

The empirically-driven courses test the application of theory in an appropriate analytical framework and train the students to work with big datasets. Students get a rigorous hands-on training with various software packages like Python, R, SAS, STATA, EViews and MATLAB.

Industry Relevance

IGIDR has a rich legacy of grooming future leaders. Over the years, our students have been recruited for roles in data analytics, risk analytics, credit risk management model development and validation, investment banking, quantitative research, data science, consulting, economic research, marketing analytics, to name a few.

THE BATCH OF M.Sc. 2022-24

M.Sc. Economics is a two-year programme, which imparts students with rigorous and hands-on training in Economics, with special emphasis on analytical and problem-solving skills as well as exposure to emerging policy issues at the national and international levels. This programme involves successful completion of either 15 courses and a Master's thesis or 16 courses. The course is catered towards those with the necessary technical and quantitative skills, possessing immense interest in economics as a discipline.

Batch Academic Diversity

Batch Gender Diversity

Abhijit Kumar Sahani

Degree: B.Sc. (Hons.) Economics, Presidency University, Kolkata

Work Experience: Worked as a Data Annotator, **Skit.ai**

Internship: Conducted an in-depth research on the impact of the PLI scheme concerning the export enhancement of MMF products, MMF Fabrics, and Technical Textiles in India, **Textiles Committee of India**

Akash Kumar Sinha

Degree: B.Sc. (Hons.) Mathematics and Physics, K.P. Ucha Shiksha Sansthan, Allahabad State University

Internship: Developed a Horizontal P&L for the Credit Cards Business segment, **IDFC First Bank**

Alok Kumar

Degree: B.A. (Hons.) Economics, St. Xavier's College, Ranchi Ranchi University

Internship: Delved into research on garment waste recyclability and its contribution towards achieving Sustainable Development Goals (SDGs), **Textiles Committee of India**

Aratrik Chakraborty

Degree: B.Sc. (Hons.) Economics, Presidency University, Kolkata

Internship: Executed a survey of attribution models used in the analysis of merchant activation and acquisition, **American Express**

Archita Singha

Degree: B.A. (Hons.) Economics, Jadavpur University

Internship: Assessed the impact of monetary policy and other macroeconomic factors on India's bond market, **Monetary and Liquidity Adjustment Division, Monetary Policy Department, Reserve Bank of India**

Chaitanya Khandelwal

Degree: B.Sc. Economics, Mathematics, Statistics (Triple Major), Christ University, Bangalore

Internship: Analyzed macroeconomic factors to devise an optimal market re-entry strategy for the Credit Card business and standardized the P&L Database employed for backtesting procedures, **Citibank**

Debayan Mitra

Degree: B.Sc. (Hons.) Economics, Ramakrishna Mission Residential College, Kolkata

Internship: Estimated the potential effects of climate change on output gap calculations using DSGE Models, **Monetary Policy Department, Reserve Bank of India**

Eshita Goswami

Degree: B.A. (Hons.) Economics, Jadavpur University

Internship: Spearheaded a Data Science initiative for Accertify's Client focusing on Account Takeover cases; involved enhancing the existing ML model by identifying risky transactions and deriving new insights, **American Express**

Ghulam Mustafa

Degree: B.A. (Hons.) Economics, PGDAV College, University of Delhi

Internship: Worked on a project assessing the market power of NSE Listed Companies, **Indira Gandhi Institute of Development Research (IGIDR)**

Ishita Kalra

Degree: B.A. (Hons.) Economics, Sri Venkateswara College, University of Delhi.

Internship: Conducted a value assessment for Commerce Payment Products using copulas and XG Boost, subsequently determining the most scalable and well-fitted model, **American Express**

Jeenia

Degree: B.A. (Hons.) Economics, Miranda House, University of Delhi

Internship: Engaged in an analytical study to gauge the concentration and competitive landscape of the NBFC sector, emphasizing the interrelation between financial stability, risk, and market structure, **Department of Economic Policy and Research, Reserve Bank of India**

Manpreet Singh

Degree: B.A. (Hons.) Economics, Hansraj College, University of Delhi

Internship: Performed a demographic analysis on Gen Z and Millennials, exploring novel opportunities through their financial behaviours such as acquisitions, spending patterns, and lending trends, **American Express**

Meemansa Yadav

Degree: B.A. (Hons.) Economics, Shri Ram College of Commerce, University of Delhi.

Internship: Worked on the development of the Dispute Prediction Model and Scorecard Models, **Aditya Birla Capital**

Mrinal

Degree: B.A. (Hons.) Economics, Arka Jain University

Internship: Detected and established controls for inconsistencies present in both outbound and inbound credit bureau data for the Canadian market, **American Express**

Mukund Ankit

Degree: B.E. (Electrical & Electronics Engineering), RV College of Engineering, Visvesvaraya Technological University (VTU)

Work Experience: Associate Manager (Projects), **ITC Ltd.**

Internship: Developed a Stress Index for Money Markets in India, **Division of Financial Markets, Department of Economic & Policy Research, Reserve Bank of India**

Navdeep Singh

Degree: B.A. (Hons.) Economics, SGTB Khalsa College, University of Delhi

Internship: Contributed to the development of two distinct fee models catering to Trust and Custody services provided by Citi Private Bank for CCAR compliance, **Citibank**

Nitesh Kumar

Degree: B.A. (Hons.) Economics, Anugrah Narayan College, Patna, Patliputra University

Internship: Worked on a project assessing the Dividend Behavior of NSE Listed Firms, **Indira Gandhi Institute of Development Research (IGIDR)**

Prakhar Shukla

Degree: B.A. (Hons.) Economics, Faculty of Social Sciences, Banaras Hindu University

Internship: Worked on a project analyzing the determinants and financial implications associated with CSR in Modern Enterprises, **Indira Gandhi Institute of Development Research (IGIDR)**

Rahul Jaiswal

Degree: B.A. (Hons.) Economics, College of Vocational Studies, University of Delhi

Internship: Built a regional input-output table and TIMM (Total Impact Measurement and Management) calculator for the states of India, **PwC**

Rajnikant Lal

Degree: B.A. (Hons.) Economics, Faculty of Social Sciences, Banaras Hindu University

Internship: Instituted Commercial Lending Eligibility decisions within the US Small Business Line Management segment, **American Express**

Roshan Kandukuri

Degree: B.Sc. (Hons.) Economics, Central University of Andhra Pradesh

Internship: Analyzed fraudulent transactions among policy declines, leading to the establishment of a dedicated module for fraud pattern detection, **American Express**

Rounak Haolader

JPMORGAN CHASE & CO.

Degree: B.A. (Hons.) Economics, Jadavpur University

Internship: Conducted model reviews concerning Assets Under Custody, Risk-Weighted Assets, and NIR Projections, involving analysis, independent testing, and forecasting, **JPMorgan Chase & Co.**

Rudradeepta Ghosh

Degree: B.A. (Hons.) Economics, Jadavpur University

Internship: Contributed to the Operational Excellence team, addressing process breakdowns in operations and fortifying strategies to counteract operational risk, **American Express**

Samarpita Bhowmik

विद्यया विनियोगाद् विकासः

Degree: B.Sc (Hons.) Economics, Vidyasagar College, University of Calcutta

Internship: Worked on a project centering on the dynamic pricing strategies of electricity, **IIM Ahmedabad**

Shubham Singh

Degree: B.A. (Hons.) Economics, Sri Venkateswara College, University of Delhi.

Internship: Built a regional input-output table and TIMM (Total Impact Measurement and Management) calculator for the states of India, **PwC**

Soumyadip Das

Degree: B.A. (Hons.) Economics, Jadavpur University

Internship: Developed a take-up propensity model for unsecured credit cards, using classification algorithms such as XG Boost and Logistic Regression, **IDFC First Bank**

Srinwanti Chowdhury

Degree: B.A. (Hons.) Economics, Jadavpur University

Internship: Forecasted India's Merchandize Exports utilizing ETS, ARIMA, and SARIMA models, **Division of International Trade, Department of Economic Policy Research, Reserve Bank of India**

Taulik Paul

Degree: B.Sc. (Hons.) Physics, Scottish Church College, University of Calcutta

Internship: Developed a Benchmark Model to forecast NII + NIR and a Challenger Model to predict Asset-Backed Securities volume, **Citibank**

Toshani Singh

Degree: B.A. (Hons.) Economics, Daulat Ram College, University of Delhi.

Internship: Worked on Price Simulator for Business Installment Loans (BIL) and Forecasting Model to predict NPA and loss accounts for personal loans (PL), **Aditya Birla Capital**

Utkarsh Priyadarshi

Degree: B.A. (Hons.) Economics, Hansraj College, University of Delhi

Internship: Identified break-points for Macro-economic Drivers at which the Model output breaches back-testing thresholds for base and stress periods, **Citibank**

Varsha

Degree: B.A.(Hons.) Economics, Gargi College, University of Delhi

Internship: Redeveloped Non-Modellable transition assumptions of US Residential Mortgages (RM) and Modified Portfolio (MOD), **Citibank**

Varun Mehta

Degree: B.A (Hons.) Economics, Aryabhata College, University of Delhi

Internship: Conducted model review, independent analysis, and formulated a benchmark for a qualitative model used for stress testing by Chase Auto Lending, **JPMorgan Chase & Co.**

THE BATCH OF M.Sc. 2023-25

The batch of 2023-25 represents a dynamic and intellectually vibrant group of individuals who have embarked on a rigorous academic journey in the field of economics. They are here to build upon their set of analytical, quantitative, and communication skills, which shall make them well-prepared to shoulder a wide range of responsibilities.
